

Friends of Steele Creek

Benefits of belonging to FOSC

You receive:

- An opportunity to make a difference in your local community.
- Early notification of meetings, plantings and special events.
- The right to vote at our meetings..

You strengthen our voice for:

- A greener city, with more habitat for native wildlife
- Restoring endangered stream bank & escarpment vegetation
- Improved water quality for the creek
- Action on litter reduction.
- A more sensitive interface between open space and residential development.
- Action on Climate Change
- Improved land management by authorities who have responsibility for land management of Steele Creek and its catchment.
- Greener streets in Airport West
- Greening of the concrete drain in A. J. Davis Reserve .
